With great pleasure I can announce that registrations for MUD 2024 are now open.

Follow the link on the home page to register. Sign up now to take advantage of the Early Bird Pricing and ensure you get a spot.

Also make sure to book your hotel room right away. We have a block of 50 rooms to start and we expect to be able to add to that once they sell out. Our special rate and the room block expires August 2 2024 and then the rate go up to standard rate. We hope your significant other will join you on your trip to beautiful BC. We will start working on activities for them once we get a sense of how many will be joining us. There is so much to do and enjoy in the Lower Mainland we won't run out of things for them to do.

Don't forget travel to Canada requires proper travel documentation so please ensure that you have considered that before you book.

Thanks and we appreciate your support.

If you run into any registration problems reach out to us and we will work on sorting them out. I have registered so I know it works from Canada.

We think we have it tested out but computers are involved.
