### MUD Swap Meet

Posted by VE7HR Dave

Tags:

If you look at the schedule we have a swap meet planned for Friday Evening 1900-2100.

As many of our attendees are travelling via air and many are crossing an international border we are curious to hear how many will be bringing stuff.

If you are planning to bring treasures please send an email to [MUD2024@wcwsa.ca](mailto:MUD2024@wcwsa.ca) with the title SWAP MEET and let us know how much room you are going to need.

This way we can plan for how many tables and how much room we will require.

Thanks
